Dear Mr. Sliousaregko,

My husband, Crown Prince Alexander, and I would like to thank you from the bottom of our hearts for your generous support, which significantly contributed to the success of the Easter reception at the White Palace.

Thanks to your help, hundreds of children without parental care, children with developmental difficulties and socially vulnerable children had the opportunity to experience the joy of this sacred holiday and the knowledge that they have not been forgotten.

The smiles and happiness of these children are our greatest reward, and we sincerely thank you for your generosity, which proves that together we can make the world a better place.

Thank you for supporting this important event.

Best wishes
